

## **Focusing graduate medical education financing on educational priorities**

**ISSUE:** Numerous experts and reports have identified significant problems with the current system of financing graduate medical education.

**KEY POINTS:** The Commission will continue its discussion of ways to adjust graduate medical education financing to support education and training goals aimed at improving the quality and efficiency of health care.

**ACTION:** Commissioners should continue to discuss relevant policy options.

**STAFF CONTACT:** Cristina Boccuti (202-220-3705) and Craig Lisk (202-220-3742).
